

PROJECT OF THE YEAR 2022

Submit your vertical, horizontal or inclined transportation system of an innovative design, special application or approach that has solved a major problem or overcome a unique challenge to the **ELEVATOR WORLD** 24th Annual Project of the Year Awards.

PROJECTS WILL BE JUDGED ON:

- Innovation
- Originality and creativity
- Challenges overcome
- Installation methods and techniques
- Use of advanced technology and overall quality of presentation

CATEGORIES:

- Elevators, New Construction
- Elevators, Modernization
- Escalators, New Construction
- Escalators, Modernization
- Moving Walks
- Inclined Elevators
- Platform Lifts & Stairway Chairlifts
- Private-Residence Elevators
- Special-Purpose Lifts

All entries will be judged and categorized as received by an impartial panel of experienced industry experts and professionals. Winning entries will be published in the January 2022 issue of **ELEVATOR WORLD**. Winners in each category will be acknowledged with an award of recognition.

Deadline for Entries:
October 14, 2021

**DEADLINE FOR ENTRIES
OCTOBER 14, 2021**

ENTRIES MUST INCLUDE THE FOLLOWING:

- Completed form (or a copy) attached to front of entry.
- At least a one-page description of the entire project to help judges understand how the project team's efforts have met the judging criteria.
- A one-to five-page description of the transportation system, providing the project details, transportation-system outlining specifications and why the project should be considered for an award.
- A list of credits, citing building owner, developer, architect, designer, planner, transportation-systems contractor, equipment manufacturer(s), component supplier(s), consultant(s) and other pertinent project participants (companies only). Be sure to include the contact person's name, company name, address, phone number, the author's bio and headshot.
- Six to ten high-resolution color photographs that capture the major aspects of the project, with particular emphasis on the transportation system and brief descriptions of each aspect.

PROJECT OF THE YEAR 2022

1. Submissions are accepted throughout the year. Deadline for Project of the Year 2022 is October 14th, 2021.
2. The transportation-system portion of the project must have been completed in April 2019 or later. Incomplete projects and previously submitted Project of the Year entries are not eligible.
3. Entries may be sent electronically or by mail. Mailed entries should include one bound hard copy and one CD or flash drive that includes both text and photos.
4. All submissions will become property of EW and must be accompanied by the project owner's permission for EW to run the submission as a feature story in EW.
5. EW reserves the right to accept or reject any submissions for not complying with the contest rules or not meeting the spirit of the EW Project of the Year contest.
6. All employees of EW and their families are ineligible to participate.
7. Project entries should be emailed to editorial@elevatorworld.com or shipped to:
