

Beacon

ELEVATOR MONITORING

For over 45 years, Beacon has been a leader in wholesale emergency dispatch monitoring. Dedicated to superior customer service, we take the time to understand the needs of elevator contractors, consultants, building owners, and property managers—delivering state-of-the-art, personalized monitoring solutions tailored to you.

Comprehensive Account Management:

We handle all the administrative work, allowing you to focus on your business.

Specialized Facilities:

Redundant state-of-the-art monitoring centers staffed by operators trained to respond to your specific elevators.

Peace of mind:

Layered liability mitigation and program quality assurance checks. Rest easy.

Increase recurring monthly revenue:

Retail our managed wholesale program while we take care of your customers.

Elevator Monitoring

- ✓ 24/7/365 Coverage
- ✓ Customized response protocols
- ✓ All account activity is documented
- ✓ Fewer dispatches
- ✓ Authorized dispatches
- ✓ Non-disputed response charges

Account Management

- ✓ Managed account administration
- ✓ Daily account activity review
- ✓ Detailed follow-up on every call
- ✓ Online portal for real-time reports
- ✓ Routine quality assurance reviews
